## 6th Annual *Kathy's Legacy* Golf Tournament Sponsorship Packet

*Make a difference for children and pets  
impacted by domestic violence.*

---

Our Silver Lining program supports children orphaned by the devastating murder of a parent from intimate partner violence by providing financial, emotional, informational, and companionship support.

Through our Lady's Legacy program we provide long-term housing for pets while victims receive shelter assistance so victims do not have to leave pets behind when fleeing an abusive situation.
